HIGHLIGHTS

Our Recent Performance Highlights

We are proud to share several of our products were top sellers in the European Autumn/Winter 2024 season. Each style achieved sales of over 3,000 units, including cotton-Polyster blends and cotton with Elasthan fleece categories. Our products recorded an impressive 82% sell-Through rate, Which we actively monitor with our customers. This help us continuously improve product design, quality and service At M/S. Faair India exports, We believe exporting is not just about producing garments-it is about transforming your ideas and sketches into reliable, commercially successful products.

WE CAN ADD VALUE TO YOUR BUSINESS

Terry, French Terry, and velvet knit Fabrics are our core specialities.

Our clients consistently report that styles made with our Terry and French Terry fabrics achieve the highest sell-through rates compared to similar products from other suppliers. This makes our fabrics range an ideal for first choice for buyers who want to evaluate quality, performance, and customer response.

Mrs. Ineke
CEO kik-kid, The Netherlands

Mr. Heinz Hlawatschek
Ceo Topo in Fashion

My experience with Faair India exports spans more than 8 years. The experience sivaabrings to the manufacturing process cant be rivald. I never have to worry about the quality of what they produce.

- More than 20 years of experience in knitted Garments (baby and women) manufacturing & exporting, so that we know how to handle baby products carefully, from the fabric feeling, safety, stitching, snapping, zipper, and finishing the garment.
- Our own circular knitting machineries to knit all type of fabrics.
- We have processing unit tie ups to do dyeing& all over printing, different washing effects.
- We have a compacting unit tie ups to do compacting and finishing fabrics
- We have our own chest print & embroidery unit
- Equipped to manufacture for any volume of apparel products.
- And a team of highly experienced and skilled workers-all under one roof
- Exceptional track record as a knitted garments Manufacturer and Exporter.
- Experts in manufacturing soft Terry, Vellore, French knit, Fleece (Brushed) and Lycra fabrics.
- 2018-19 we were awarded as a Best Baby Garment supplier among the India factories by Mother care Indian office.
